

Lireco is urgently searching for:

- **Family doctors**
- **Radiologists**
- **Psychiatrists**
- **Pathologists**
- **Pneumonologists**
- **Cardiologists**
- **Pulmonologists for permanent positions in Sweden.**

If you study the final year of your specialist education, it can also be accepted.

We provide

- Competitive salaries depending on experience + overtime,
- Relocation package,
- Free language training in Swedish language,
- Re-location assistance
- Assistance in practical issues such as kindergarten/school for your children,
- Assistance and job-coaching for your partner.
- Mentoring for you and your family during and even after the entire process

Sweden provides a well-organized and functioning health care system where there are budgets for research, congresses, training and courses.

The working conditions are the same as for the Swedish citizens. The working climate with colleagues is open, flat organized with lots of trust and good moral.

If you are motivated to emigrate contact with us by sending your English cv at argiro@lireco.se

We will take care of your application and support you and your family.
